

## IMPORTANT ANNOUNCEMENT

### NEIGHBORHOOD STABILIZATION PROGRAM

The City of Homestead has had an overwhelming response to the Down Payment Assistance Program. Due to the number of applications received, it is necessary for the City to place all applications received after September 1, 2009 on a waiting list.

Applications received after this date will be reviewed and processed according to the date the application was received by the City and when funds might be available.

Potential applicants will be notified by the City when the City begins to process their application.

For further information, please contact:
