ADDENDUM TO FENCE PERMIT APPLICATION

Job Address: _____

It is understood that fences and walls that obstruct vision may not exceed 2 ½ feet in height when located either within 10 feet of the edge of any driveway leading to a public right-of-way, or within the "Safe Sight Distance Triangle", as defined in Section 33-11(b) of Metropolitan Dade County. I certify that this fence will not be located within the rights of way indicated in Section 33-133 of the Code of Metropolitan Dade County. I further acknowledge that the issuance of this permit shall not be construed as permission to violate any provisions of Dade County Ordinances.

Additionally, an As-Built survey may be required by the department at the owner's expenses, if there is a concern that the fence or wall encroaches on neighboring properties, easements or public right-of-way. Please be advised, if violations are found to exist the law provides that tickets shall be issued resulting in penalties of up to \$500.00 per day (Chapter 8CC of the Code of Metropolitan Dade County).
