AFFIDAVIT – Please read carefully

Application is hereby made to obtain a permit to do work and installation as indicated. I, the Owner of the property, certify that all work will be performed to meet the standards of all laws regulating construction in this jurisdiction. I understand that separate permits are required for ELECTRICAL, PLUMBING, EXTERIOR DOOR, MECHANICAL, WINDOW, FENCE, DRIVEWAY, ROOFING, SIGNS, SHUTTERS, etc., and there may be additional permits required from other governmental agencies.

I, the Owner of the property, have disclosed all information related to any work at the property performed in the prior twelve months to the Building Official. Further I am fully aware that if the cumulative cost of the work to my home or business under this and any other permit equals or exceeds fifty percent (50%) of the fair market value of the structure, the entire structure must meet the present Federal Flood criteria for finished floor elevation. I am also fully aware that if the total cost of my home or business under this and other permit exceeds fifty percent (50%) of the replacement cost of the structure, then the entire structure must conform to the current requirements of the South Florida Building Code.

WARNING TO OWNER: Your failure to record a NOTICE OF COMMENCEMENT may result in you paying twice for improvements to your property.
