

Biscayne-Everglades Greenway Feasibility Study and Plan Survey

The City of Homestead, Miami-Dade County, the Florida Office of Greenways & Trails, Biscayne and Everglades National Parks, the Rivers, Trails & Conservation Assistance Program of the National Park Service, numerous organizations, local businesses and citizens are collectively working together to develop a plan for a multi-purpose trail and greenway that will link south Miami-Dade communities with Biscayne and Everglades National Parks. We are enlisting the public's support and input for the project. **Please return completed survey before you leave the workshop. Thanks!**
